SWIMMERS ITCH:

- Can be a problem from time to time in our lake. You can help by ensuring you send lots of suntan lotion for your child who will be reminded by camp staff to apply liberally prior to swimming. We also have a fresh water shower set up on the beach for campers to rinse off after swimming and have staff encouraging campers to use their towel to dry briskly. Generally, these few preventative steps will prevent any problems. Should a camper still get some of the itch, the camp does maintain a supply of Calamine lotion which can be used to reduce the irritation.

EXPECTATIONS :

- Campers are expected to behave in a manner appropriate to living in a group setting, respecting others and property. Fighting, swearing, bullying, etc., will NOT be tolerated and may result in dismissal from camp with no refund.
- Clothing/swimwear must be modest and in good taste. Clothing with suggestive sayings or pictures should not be brought to camp.
- Smoking is not permitted.

CABIN REQUESTS :

- Every effort is made to accommodate the camper with at least one of the campers’ requests; however, no guarantees are made.
